Diskontinuierlicher Text – Suchendes Lesen – Wörterbucheinsatz

Es handelt sich um einen authentischen Text aus dem Internet. Um in solchen Texten die gewünschten Informationen aufzufinden, müssen die Schüler bestimmte Lesetechniken beherrschen. Hier sollen sie den Text zum Teil nur „scannen“, d. h. ausgehend von sogenannten Signalwörtern in der Aufgabenstellung (z. B. „non-smoking“ in Nr. 4) gezielt nach Informationen suchen.

You want to go on holiday to the USA. You're surfing the Internet to find a nice hotel. You see an ad for the Days Inn. Look at the ad and then do the exercise.
